

# Do Good: Save Food! Educating future generations for a zero food waste world

European Parliament, 21 February 2019

# Who we are

26 National Federations including 2 Observers

## 27 European Sector Associations

## 21 Large companies

## Avoiding Food Waste: a key priority for FoodDrinkEurope

# FoodDrinkEurope: taking the initiative

## Launch 2013

### Every Crumb Counts Declaration:

Food supply chain initiative to tackle food waste launched supported by UNEP and FAO ('Think-Eat-Save' campaign)

### Food Waste Toolkit:

Guidance on 'Maximising food resources and preventing food wastage along the supply chain'

## Progress Report 2014

- Take stock of progress & actions led by the food & drink sector
- Shows commitments in reducing food wastage along the food chain
- Raising awareness & best practices
- Future actions

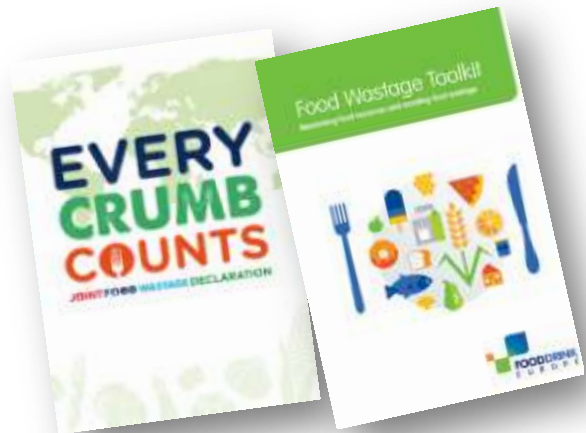

## Circular Economy microsite 2016

- Showcases how FoodDrinkEurope members work to achieve a more sustainable food chain both within their operations and across the food supply chain
- Recommendations to achieve a more circular economy

## Food Donation Guidelines 2016

- A simple framework of practical steps to help food and drink manufacturers anticipate and prepare for any potential surplus that may arise in the business
- Launch, June 2016
- Endorsed by the Standing Committee of plants, animals, food and feed (Nov 2016)

## Unwrapping the potential 2018
